Sprint 2 Report

No-Taps
2/10/2024

Actions to Stop Doing:

Stop meeting after class for sprints
- Move scrum meetings to another time

Stop scheduling meetings when people cannot attend
- Staff should meet in separate backend and frontend groups.

Actions to Start Doing:

Start having more meetings for each group
Start having regular meeting times
Start updating asana board more
Start 'bulletin board' channel for updates on each group if someone misses something

Actions to keep doing

Keep meeting regularly
- We must keep meeting regularly for our scrum meetings

Keep posting regularly on Discord
- We must keep regularly posting documentation, schedules, and communicating through Discord

Work Complete/not Completed

This week we finished setting up:
- sidebar/menu
- Taps/availability/search button interface
- Detailed information display
- Filtering/searching functionality

We still need to complete:
- Finish reporting POST request

Work completion rate:
- Finished user story 2
- About 10 hours completed
- 2 weeks spent on Sprint
